We are delighted to announce that the lovely Irish Draught Stallion CASTLEGAR COOL MIST, will be standing at Millbry Hill Stud, Stanley Grange for the 2021 Season by kind permission of Mr Charles Upham.

CASTLEGAR COOL MIST was the only 3 year old to Grade into the Class One category at his grading in 2017 impressing the judges with his freedom, attitude and exceptional technique over a fence.

He covered mares in his native Ireland before moving to the UK in 2018, where he then stood at Langaller Farm in Devon for 2019 and 2020 seasons. The plan originally was to then return to Co Galway, however this impressive stallion made quite an impact with both pure and part-bred Irish Draught breeders as well as everybody who met him.

He took to his ridden career with nothing less than total delight. He hacked with company and alone along the lanes over the Dartmoor, loving every moment, popping streams and gorse bushes and chatting with the moorland ponies.

Nearing the end of his allotted UK stay CASTLEGAR COOL MIST was purchased by Langaller Farm to secure this amazing stallion for a much longer term in England. Having covered a very good number of mares over his two seasons in Devon, CASTLEGAR COOL MIST has now moved here to Millbry Hill Stud for two further seasons.

He is available for chilled semen AI, so his fan club in the South West need not worry. He will continue to be ridden, hunted and competed.

His eldest offspring will be 2 year olds in 2021 and include the colt CASTLEGAR COOL KAT.
